BILLABONG ZOO

Billabong Zoo: Koala & Wildlife Park is a family run and operated 10 acre zoo that is located in Port Macquarie just 10 minutes from the centre of town on the way to Wauchope.

The popular attraction opened in 1986 primarily as a breeding centre for koalas together with a wallaby and kangaroo hand-feeding area. It is now world-renowned for its koala breeding programme and is also a significant regional zoo with a diverse range of Australian and Exotic animals that are known as their 'Ambassadors'. Today the zoo exhibits over 85 species and cares for over 220 animals.

A one-stop shop on the Mid North Coast for encountering native wildlife and for seeing some surprising overseas inclusions like red pandas, meerkats, snow leopards and cheetahs. Children especially love to hand feed the kangaroos in a walk-through grassed enclosure and listen to educational talks from Billabong Zoo Keepers.

Our world class facilities provide an opportunity for our guests to have a unique encounter with our animals throughout the Zoo with highly skilled trained and passionate staff available at all times. Our passion to serve our guests extends throughout our zoo to include a gift shop, playground facilities, newly renovated function centre and our Meeting Point Café for strategic barista-made coffees or delicious breakfast and lunch.

Billabong Zoo prides itself on being Ambassadors for Wildlife and is an advocate for 'Conservation through Education'. We use our 'voice' via our website, social media, schools programme and visitor Zoo Keeper talks to highlight the plight of animals especially those on the IUCN Red List of Threatened Species.

Billabong Zoo cares for a dozen ambassador animal species sadly on the Red List. We regularly highlight the plight of a particular species and promote the work of organisations doing great work to save and protect threatened species. Our vision is to preserve wildlife through conservation education and research. Aware that the zoo of tomorrow begins today our staff and volunteers are dedicated to providing a naturalistic and enriching sanctuary for our animals and a clean

friendly entertaining and educational experience for our guests. We strive to conserve species and habitats and to inspire and empower people to help in the fight to protect wildlife.

Highlights from the Zoo in 2023

We were delighted to welcome two adorable native animal Ambassador's to the zoo this year - a Tiger Quoll named Fleay who was born here last breeding season and a Lumholtz's Tree Kangaroo named Mindy from Far North Queensland in support of the Tree Roo Rescue and Conservation Centre Ltd. Mindy is the a superstar, being the only Lumholtz's Tree Kangaroo at a zoo in NSW!

Plus, our newly-renovated Functions Space is now open and having amazing success! There is nothing like these unique events and corporate spaces in the area.

What does Billabong Zoo love the most about tourism in our region...

It is the perfect place to explore! We are lucky enough to live in this beautiful region, with an abundance of natural beauty, wildlife and the great sense of freedom and connection to the land. There's a reason people love getting out into nature, see our native wildlife and the immersive experience that it provides.

A bit about our June event

After the amazing interest in our Junior Zoo Keeper for a Day during the Easter school holidays, we are thrilled to be back this June Long Weekend and upcoming Winter school holidays! It's a fun-filled day for children aged 8 - 12 offering a chance to get involved and behind the scenes at Billabong Zoo and the day-to-day task of being a zoo keeper. Our Junior Zoo Keepers are assigned to one of Billabong Zoo's qualified Keepers who will guide them around the park with a range of activities engaging with the animals and education on habitats dietary requirements and our enrichment program. At the end of the day, our Junior Zoo Keepers will bravely have their photo taken holding one of our snakes and a certificate of completion. Bookings are Essential!
